

Bay of Islands VISITOR MAP 2027

The only printed visitor map dedicated entirely to the Bay of Islands, produced specifically for the region's operators and visitors.

Each year, 30,000 copies are distributed through a strong network of visitor locations, including the Interislander and Bluebridge Cook Strait ferries, placing the Bay of Islands in front of holidaymakers while they are still planning their North Island journey.

The map covers the wider Bay of Islands, with detailed town maps for Kerikeri, Paihia/Waitangi and Russell. Featuring accommodation, activities and attractions, walking tracks, cycle trails, scenic and heritage highlights, amenities and useful information specific to the Bay of Islands.

Advertisement grid references connect each business directly to its location, helping visitors find their way. Folded from A2 to DL, it is a practical map visitors can carry and refer back to throughout their journey.
